ABOUT THIS RELEASE

PC AUSSTATS gives on-line access to the latest time series information from the ABS. The service allows you to access the information you need, when you need it -- 24 hours a day, 7 days a week.

You can find the information you want simply and quickly from a fully menu driven system. Once you have selected the information, downloading to your PC is done by the PCAUSSTATS software. The data are supplied in spreadsheet format -- so it's ready for instant analysis or manipulation on your own PC.

By using PCAUSSTATS you will know that you have the latest information available. PCAUSSTATS is updated daily, giving you full access to the latest facts and figures about the nation. Plus, you do not have to worry about revisions or corrections to the data. PCAUSSTATS is updated in line with any revisions to the official figures.

Historical information is typically available for a fifteen-year period for monthly time series and even further for quarterly and annual series. PCAUSSTATS data include over 100,000 time series from over 85 publications. Topics covered include agriculture, balance of payments, capital expenditure, company profits, consumer price index, financial surveys, demography, labour force, manufacturing, national accounts, producer and foreign trade price indexes, Reserve Bank of Australia bulletin, retail turnover, stocks and manufacturer's sales, tourism and transport.

Also available on CD-ROM (1401.0.30.001).
